In the draft G.O. (at page 17 c.f.,) (14) relating to Byrapura village, the correct extent of land of 42 acres should be in S.No.81 as proposed by the CCF in his letter dated 2nd Dec. 1965 at page 15 c.f.But in the draft G.O., Survey Number has been incorrectly mentioned as 82. This has escaped the attention of the U.S. also. The C.W. should be very careful in drafting such important G.Os. and particularly in relation to S.Nos and the extent of land.

PREAMBLE:

Government in their order dated 3-11-1962 has accorded sanction for the release of an area of 36 acres comprised in S.Nos. 28 to 30, 76 and 75 of Brahmanabadur Village, Avinahalli State Forest for purposes of cultivation.

The Special Officer has now reported that after actual survey an area of 33-30 in Brahmanbadur Village and 2-20-0 acres in Haddari Village has been cleared and handed over to Revenue Department for grant of to cultivators.

But at the time of green Phadi, an extent of 4 acres in S.No.29 of Byrapur village falls in S.No.30 of the same village adjacent to the released area.
